

Grant for a research stay of USP researchers at the University of Münster

In the frame of the DAAD supported project **wwu.usp**, which aims at setting a strategic partnership with the University of São Paulo (USP) in Brazil, the Brazil Centre of the University of Münster (WWU) offers a financial grant for three USP-researchers (lecturers or post-docs) of any area who are interested in a stay at the WWU for up to one month (min. 15 days).
